In late 2015, ROBLOX introduced ChatPads. These ChatPads function like keyboards for players with a webcam. The players can use a webcam to talk with each other as well as guests while playing the game. However, there are no audio chat functions. One feature of the new chatpads is that if you lock your screen when playing game, it will automatically unlock when you tab out from games to bring up your keyboard and chatpad features.

On July 19, 2018, ROBLOX launched a new mobile app called ROBLOX Mini. It is aimed towards kids below the age of 6 years old. It allows players to play mini games as well as create items for their mini-game and have a catalog of characters to dress up as.[50]

Roblox was revealed as the top website for malware infections in the U.S.[74] And as of 2015, it was accused of having more malware downloads than any other website in the world.[75]

In 2009, coinciding with their tenth anniversary, the company announced that it would be opening a second office in Europe, with partners located in London and Manchester who would "proudly represent" their games on the continent.
