Most Roblox games are made with the 3DTotal modeler because most of ROBLOX's games use 3D models rather than textured 2D ones. Paint is also a popular option for creating objects and UI elements due to its simplicity.

Tickets are the secondary currency in Roblox; they can be used to purchase a variety of vehicles, gear (backpacks, jet packs, and recovery kits), weapons (grants a player additional hit points upon taking damage), and other items. In order to purchase most of the premium items from the store, one must own more tickets than is currently available in the user's inventory. The minimum one-time purchase of tickets is US\$5 (\$8 Note: this price has been around since 2015 but was not posted until 2017).

On March 22nd 2018 a father claimed that his young son was being harassed by online predators on roblox. His son was given what he believed to be an authentic phone number for support from roblox but it was actually a phone number for an adult service in California called "Spunky".

What kind of games does roblox provide? How do people play them? What are some other things they can do in the game? This article will answer these questions! I hope you enjoy reading it as much as I enjoyed writing it.
